RENEWED PETITION UNDER 37 CFR 1.181

A decision on Petition under 37 CFR 1.181 to withdraw the holding of abandonment dated August 10, 2009 in the above-identified application was received. The decision dismissed the Petition. A request for reconsideration and renewed petition is made herein within two months from August 10, 2009.

The above-identified application became abandoned for Applicant's alleged failure to timely file corrected drawings as required by the Notice of Allowability mailed October 3, 2007.

The Decision dismissed Applicant's Petition on the grounds that the Notice of Allowability indicated that corrected drawings must be submitted including changes required by the Examiner's Amendment.

Applicant respectfully submits that the Examiner has not only indicated that corrected drawings must be submitted, but actually made the corrections. In the Examiner's Amendment, the Examiner stated "Figure 1 has been labeled 'Prior Art'" (emphasis added) (p.2 of Examiner's Amendment). Separately, the Examiner's Amendment included a corrected Figure 1, wherein the Examiner wrote in "Prior Art" after Figure 1. Further, the Examiner wrote (on the upper left corner) "Approved", followed by the Examiner's initials "LN" and the date of 9/27/07. (A copy of the Examiner's correction to Figure 1 is attached.)

The Examiner's statement that Figure 1 has been labeled "Prior Art" followed by the inclusion of the correction of Figure 1, and the statement of "approved" with date and initials signaled to the Applicant that the corrections have been made and approved. As such, there is no need on the part of Applicant to submit corrected Figure 1 for approval. A version of corrected Figure 1 with the Examiner's approval initials redacted is submitted herein as replacement drawing.

For the foregoing reasons, the Commissioner's reconsideration of its decision to dismiss the Petition to withdraw the holding of abandonment under 37 CFR 1.181 and passage of the application to issuance is respectfully submitted.

The Commissioner is hereby authorized to charge any deficiency which may become due to Deposit Account No. 50/0679.

Respectfully Submitted,
